### **B1.** Review of Performance

# Performance of the First Quarter/Three-Month Financial Period

Gross revenue for the quarter ended 30 September 2024 ("First Quarter") recorded an increase of 11.1% to RM10.1 million as compared to the corresponding quarter of the preceding year. This was mainly due to higher rental income derived from all three buildings as a result of better occupancy and higher rental rates. Property operating costs were lower by 8.5% due to assessment rebates received, as well as lower agency commission, electricity and management fee. Administrative expenses increased by RM0.4 million mainly due to professional fee incurred for a tax appeal. Interest expenses fell by 13.9% due to lower drawdowns of revolving credit facilities and term loan following repayments in the preceding year. Accordingly, net trust income before change in fair value of investment properties and tax improved by RM1.7 million as compared to the corresponding quarter of the preceding year.

# **B2.** Material Change in Income before Tax for the First Quarter Compared with Immediate Preceding Quarter

Net trust income for the First Quarter of RM2.0 million was higher as compared to net trust income of RM1.5 million in the immediate preceding quarter. This was mainly due to the improved occupancy and lower property operating expenses in the current quarter.

### **B9.** Prospects

The Manager achieved improved occupancy in all the Tower REIT properties during the current financial period despite the challenging office rental market particularly in the Klang Valley with more incoming supply of higher-grade offices. Although increasing vacancies, depressed office rental rate, rising operating expenses and high interest cost remain challenging, there are positive signs that economic activities have started to pick up with more leasing enquiries as business confidence grows. The Manager continues to pursue refurbishment initiatives to improve building attributes and enhance ESG performance while expanding the leasing pipeline. This, together with effective cost management remain the strategic imperatives of Tower REIT to strengthen and sustain competitive position.

TOWER REAL ESTATE INVESTMENT TRUST NOTES TO THE FINANCIAL STATEMENTS FOR FOR THE FIRST QUARTER ENDED 30 SEPTEMBER 2024

The IRB has subsequently on 5 March 2024 withdrawn the appeal against the decision of the High Court.
